STUDENT WINGMAN COMMITMENT

An ASA Student Wingman is between the age of 14 (or has completed the 7th Grade) through full-time senior in College.

As an ASA Student Wingman, I will:

1. Attend a minimum of 1 ASA group run each month late March - early November (7-8 times total)
2. Participate in at least 3-4 races a year with ASA. You may join us and race as often as you'd like to (see below).
3. Complete the annual Fundraising Page / Wingman Agreement to register for the year and fundraise \$150 (\$75 if only running for ½ year) for The Wingman Program by December 15th (see information, tips and opportunities below).
4. Maintain a log of all hours at Group Runs, Races, and any other volunteer opportunity for ASA Staff to sign off on all hours for service learning requirements.
5. Be able to maintain at least a 12:30 minute/mile run pace for a 5K distance.

This profile provides information about the Athlete - their likes/dislikes, their disabilities, and parent/guardian contact information. The Captain (an experienced and background checked Wingman for at least 1 year) assigned to lead the Wingman Team communicates with the Athlete's parent/caregiver prior to arrival and knows the Athlete's history.

RULES OF THE ROAD: GROUP RUNS AND RACES

- Each team will consist of 1 Athlete, 1 Captain, and 1-3 Wingmen.
- The team will run at the pace of the slowest Wingman, and will maintain at least a 12:30 minute/mile pace.
- All members of the team will stay together throughout the run.
- All Wingmen should share the responsibility of pushing the Athlete's jogger as needed to complete the event safely.
- Wingmen interact with ASA Athletes but are not responsible for the direct care of any ASA Athlete.
- Wingmen share pushing the Athlete's jogger in races and group runs.
- Focus on running in a straight line. Avoid unnecessary turning or stopping. Do not "pinch" the corners on turns. Maintain a safe consistent path always.

- In heavy runner traffic, guiding Wingmen (those not pushing) should focus on the safety of the team by guiding a path for the jogger. They should run on the sides of the jogger, 3-5 feet from the front wheel and remain there except during rotation.
 - Each team Captain must carry a cell phone, keep their ringer on loud and have the phone number of the Onsite Manager and their Athlete's parent/guardian.
 - No headphones are allowed while running.
 - Dress and act in an appropriate manner at all times. Wear you ASA bright blue team shirt at all times, proper athletic apparel and sunscreen if necessary.
 - As soon as you cross the finish line, or finish your group run, try not to disrupt the flow of other finishers. Clear the area safely and timely.
 - Do not use water stops and/or relay check points. Have guiding Wingmen secure water/Gatorade as necessary for the team. If a stop is required please coordinate beforehand the time and place as to not disrupt the flow of other participants, either before or after the actual water stop area.
 - Do not "tailgate". Runners frequently stop spontaneously. Be alert for this to happen.
 - Do not push your way around other race participants or ask them to move aside.
 - Report any emergencies to the appropriate authorities after first taking immediate action to ensure the health and safety of the participants.
 - Abstain from transporting, storing, and/or consuming alcoholic beverages, tobacco products, and/or illegal substances when responsible for the safety and well-being of Athletes. Athletes Serving Athletes prohibits consumption of alcohol and tobacco during events (24 hours a day) by participants and by anyone with Athlete responsibilities at an Athletes Serving Athletes event.
 - Do not engage in any inappropriate contact or relationship, including, but not limited to, any sexual contact or sexual relationship with Athletes, volunteers, or other participants of Athletes Serving Athletes.
 - Follow the established rules and guidelines of Athletes Serving Athletes and/or any parties involved with Athletes Serving Athletes.

DISABILITY INSIGHTS

Being an ASA Student Wingman is many people's first experience connecting with and empowering a person living with a disability. ASA has created an overview of the different disabilities you may encounter in our program as well as insights into how to interact with an individual living with a disability. Our goal is to ease your fears and equip you to be the best Wingman you can be for our Athletes living with disabilities. Please take time to view a more comprehensive document looking at the disabilities you may encounter - [click here](#).

CONFIDENTIALITY

As a Wingman with ASA, you will have access to confidential information about ASA Athletes. Do not share sensitive information (addresses, health information, donation information) with anyone.

ATHLETE/PARENT BOUNDARIES

We ask all Athletes to refrain from contacting you outside of ASA events or asking you to participate in events that are not hosted by ASA. Please only share your cell phone number with other members if you wish to. We understand that friendships develop outside of ASA activities and you are free to pursue these connections. This is not intended to prevent any connections, just to protect your time as a volunteer and personal space should you need the boundary assistance. Alert the ASA Staff to any inappropriate contact or conduct with others in ASA.

FUNDRAISING

Part of your commitment as an ASA Student Wingman is to fundraise \$150 annually (or \$75 if only joining for ½ year). After December 15th, any remaining funds less than your commitment will be charged to your credit card on file. For Student Wingmen that raise above and beyond the commitment, there are incentives offered throughout the year. Some tips and other opportunities include:

- Share your fundraising page on your birthday
- Share your personal experience at a race or training
- Personalize your fundraising page with a photo and your ASA story
- Copy and paste your fundraising page link on social media
- Host a fundraising night at a local restaurant
- Invite family and friends to RunFest - all funds raised on your RunFest page count towards your WM fundraising goal!
- Please don't start a Facebook Fundraiser. We are unable to track Facebook donations and apply credit to you. Instead, please copy and paste your WM Fundraising Page link directly into a post to share.
- Volunteer at an ASA Water Stop or Expo Booth to receive fundraising credits
- For a complete list of Fundraising opportunities (including Water Stops and Expo Support) please visit <https://asa.run/non-running-volunteering/>

Thank you for joining us and we look forward to a wonderful running season with you. Together We Finish!
